Subject Fw: pdf copy of map Richardson Flat

Kevin:

Yesterday I sent you a letter with paper copies of 5 of the 6 appendices to the CD. It included all but the ROD, which I assume you already have. I believe you should also already have electronic copies of the SOW and Appendices D, E, and F, leaving the site map (Appendix B) as the only one you might not already have. I'm forwarding you an electronic copy of that, too. But perhaps getting the paper copies in the mail will be easier.

The CD itself is the version I emailed you on June 8th.

If you would please get UPCM's signature page signed and return it to me or to Mark, we'd appreciate it. Then we can get it signed for EPA and DOJ. Thank you.
